Dear Mr. Harper:

Under authority of section 3734.08 of the Revised Code the Director of Environmental Protection is licensor of solid waste disposal sites and facilities in the City of Columbus Health District.

The Director has established an annual license fee of five hundred dollars (\$500.00) for each site or facility in the said health district. The license fee should be made payable to the Treasurer of the State of Ohio and mailed to the Ohio EPA, Division of Waste Management and Engineering, P. O. Box 1049, Columbus, Ohio, 43216, Attention: David E. Lenerz.

The license fee should be sent to this Agency immediately (not to Franklin County Health Department) for your 1974 license and prior to December 31 of each year thereafter, so long as the Director is the licensor. Enclosed is an "Application for License to Operate a Solid Waste Disposal Site or Facility" form, which should be completed and accompany the license fee payment.

If you have any questions, please contact me at this office.

Yours truly,

THOMAS J. RUSNAK
